

# Lecture Series on Surface Forces 23

*WPI Advanced Institute for Materials Research (WPI-AIMR)  
Institute of Multidisciplinary Research for Advanced Materials (IMRAM)  
longitudinal Tohoku University, CREST-JST*

**Date: May 22, 2013**

**Place: Seminar Room, 2nd Floor, WPI-AIMR Main Building,  
Katahira, Tohoku University**

\* \* \* \* \*

**9:30-10:05**

**Speaker : Adam Foster (Aalto University)**

**Title : Probing interfaces at the atomic scale**

**10:05-10:40**

**Speaker : Kazue Kurihara (Tohoku University)**

**Title : Surface force measurement for nano-materials science**

**10:40 – 10:50**

**Coffee Break**

**10:50-11:25**

**Speaker : Lasse Laurson (Aalto University)**

**Title : Complexity in materials**

**11:25-12:00**

**Speaker : Mizukami Masashi (Tohoku University)**

**Title : Chemical and physical wetting**

Kazue Kurihara, WPI
